Change is progress, progress, is success, and success will make you happy. There 's always a reason to live, to change, to improve, to better your life and be successful. Find that reason and make it your passion. Be good, follow the right ways, and use the right means to start a new beginning in your life. New Year.

New Year New Beginning: How to Start a New Life in 12 Steps

Ceasing to seek power over people and outcomes in your life is the first major step to living peacefully. Trying to control people is about seeking to impose your will and reality on others. But by doing so--even with the best of intentions--this forcing your will on others takes away the power from others and causes a great imbalance which can lead to anger, hurt, and resentment.

Use strong role models. Integrate role models from the community into your classroom. The more role models from different walks of life your students see, the more they will feel that a good attitude can apply to any situation. Bring in a policewoman or fireman from the community and have them discuss how they approach the difficult aspects of their jobs with a positive attitude.
