Kai, who has no memories from before she was found by Reev, whom she considers her brother, but who has the ability to slow time, and her friend Avan search for the missing Reev and become involved in a revolt against the ruler of Ninurta.

As civil war threatens Ninurta, Kai finds herself caught between Reev, who is siding with the rebels, and her friend Avan, who is still learning what it means to be an Infinite.

How to Recover a Pleated Lamp Shade

Danger lurks within the roots of Forest of Souls, an epic, unrelenting tale of destiny and sisterhood, perfect for fans of Naomi Novik and Susan Dennard. "A tantalizing beginning to a rich new fantasy series." —Traci Chee, NYT bestselling author of The Reader trilogy "Absolutely enchanting." —Natalie C. Parker, author of Seafire "You won ' t want to escape." —Sarah Henning, author of the Sea Witch "Will leave you shouting sisters unite!" —Mindee Arnett, author of Onyx & Ivory and Avalon Sirscha Ashwyn comes from nothing, but she ' s intent on becoming something. After years of training to become the queen ' s next royal spy, her plans are derailed when shamans attack and kill her best friend Saengo. And then Sirscha, somehow, restores Saengo to life. Unveiled as the first soulguide in living memory, Sirscha is summoned to the domain of the Spider King. For centuries, he has used his influence over the Dead Wood—an ancient forest possessed by souls—to enforce peace between the kingdoms. Now, with the trees growing wild and untamed, only a soulguide can restrain them. As war looms, Sirscha must master her newly awakened abilities before the trees shatter the brittle peace, or worse, claim Saengo, the friend she would die for.

The sequel to the hotly-anticipated Forest of Souls, an immersive fantasy, blending western-style tropes with Hmong cultural influences. Perfect for fans of Susan Dennard and Sarah J. Maas. The Soulless has woken from his hundred-year slumber, and now lurks in the Deadwood, recovering his power. Which has somehow infected Sirscha. It burns inside her and warps her lightwending. She fears the destructive ability of her Calling. But while Soulless is formidable, he ' s still a shaman, which means his power must be channeled through a familiar. If Sirscha can discover what—or who—that is via their connection, she might be able to cut him off from his power before he returns to full strength. Meanwhile, Sirscha and her allies journey west to the shaman empire of Nuval to treat with the Ember Princess. They hope to rally the people into uniting against their common enemy, but that ' s easier said than done. Queen Meilyr is pursuing her imperialistic agenda, and she claims to hold a token that gives her power even over the Soulless.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

Fantasy Meets the Old Testament in a Novel That Will Reach Readers of All Ages Against his wishes and desires, Akabe of Siphra has been chosen by his people to be King. But what does a warrior know of ruling during peacetime? Guided by the Infinite, Akabe seeks to rebuild the Temple in the city of Munra to give the sacred books of Parne a home. But dangerous factions are forming in the background. To gain the land he needs, Akabe must forsake the yearnings of his heart and instead align himself through marriage to the Thaenfall family. Meanwhile, Kien Lantec and Ela Roeh are drawn still closer together...while becoming pawns in a quest to gain power over the region. As questions of love and faith become tangled with lies and murderous plots, each must seek the Infinite to guide them through an ever more tangled web of intrigue and danger.

Marooned in another universe, a musician leads a motley army to save two worlds, in an entertaining tale by the #1 New York Times–bestselling author. Jon-Tom just wanted to go home. Trapped in a world where animals speak and magic is real, the American college student yearned for an ordinary dorm-room life. But here his music has magical power—even if he can ' t control it—which may be able to save the world from the army of the Plated Folk, whose sinister queen plans on killing and eating every warm-blooded mammal she can get her pincers on and taking over their lands. The great battle is coming, and Jon-Tom, whose posse includes a wizarding turtle, a cowardly bat, and an otter with a filthy mind, must raise an army to fight it. To find allies they must make an impossible journey, across mountains and rivers no one has ever passed before. Survival will be a miracle—but Jon-Tom is no ordinary musician.

Maya ' s shocked to discover it ' s not the heaven she imagined; in fact, a life of adventure begins the moment you die. Zachariah, her faithful spirit guide, explains the rules of the dead: in order to regain complete awareness and reunite with loved ones all souls must review their previous lives. Maya plunges warily into her turbulent pasts as a sociopathic High Priest in ancient Egypt; an independent mother protecting a dangerous secret in glorious Sparta; an Irish boy kidnapped and enslaved by Vikings; and a doctor ' s wife forced to make an ethical stand in plague-ridden England. All the while, Maya yearns to be with those she cares about most and worries that she hasn ' t learned all of heaven ' s most vital lessons. Will she be forced to leave the tranquility of heaven to survive yet another painful and tumultuous life? Or worse, accept the bitter reality of having to go back alone? Free, freebie

By the New York Times bestselling author of The Bone Clocks | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. Cloud Atlas begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn ' t end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, Cloud Atlas is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for Cloud Atlas " [David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel ' s every page." —The New York Times Book Review " One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature." —Dave Eggers " Wildly entertaining. . . . a head rush, both action-packed and chillingly ruminative." —People " The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I ' ve never read anything quite like it, and I ' m grateful to have lived, for a while, in all its many worlds." —Michael Chabon " Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent." —The Washington Post Book World " Thrilling. . . . One of the biggest joys in Cloud Atlas is watching Mitchell sashay from genre to genre without a hitch in his dance step." —Boston Sunday Globe " Grand and elaborate. . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate." —Los Angeles Times

Best-selling author Rick Riordan presents Lori M. Lee's middle grade debut about a lonely Hmong girl who discovers she's a powerful shaman warrior in this fantasy inspired by Southeast Asian mythology. "I love the adventures Pahua has in this book. I also love the sense of humor, the clever plotting, and the fantastic cast of characters. But most of all I love Pahua: her courage, her kindness, and her love for family."--Rick Riordan Pahua Moua has a bit of a reputation for being a weirdo. A lonely eleven-year-old Hmong girl with the unique ability to see spirits, she spends her summer days babysitting her little brother and playing with her best friend, a cat spirit no one else can see. One day Pahua accidentally untethers an angry spirit from the haunted bridge in her neighborhood--whoops. When her brother suddenly falls sick and can't be awoken, Pahua fears that the bridge spirit has stolen his soul. She returns to the scene of the crime with her aunt's old shaman tools, hoping to confront the spirit and demand her brother's return. Instead, she summons a demon. Thankfully, a warrior shaman with a bit of an attitude problem shows up at the last minute and saves her butt. With the help of this guide, Pahua will have to find her way through the spirit worlds and rescue her brother's soul before it's too late. Little does she know she'll have her own discoveries to make along the way. . . . With its unforgettable characters, unique nature-based magic system, breathtaking twists and reveals, and climactic boss battle, this story based on Hmong oral tradition offers everything a fantasy lover could want. Complete your middle grade fantasy collection with these best-selling fan favorites: Rick Riordan Presents Aru Shah and the End of Time by Roshani Chokshi Rick Riordan Presents Dragon Pearl by Yoon Ha Lee Rick Riordan Presents The Last Fallen Star by Graci Kim The Percy Jackson and the Olympians series by Rick Riordan
