Julia Stuart was first an award-winning journalist before publishing her debut novel *The Matchmaker of Perigord* and more recently *Balthazar Jones and the Tower of London Zoo* and *The Pigeon Pie Mystery*. Stuart grew up in England but now lives with her husband, also a journalist, in Bahrain.

Barber Guillaume Ladoucette has always enjoyed great success in his tiny village in southwestern France, catering to the tonsorial needs of Amour-sur-Belle's thirty-three inhabitants. But times have changed. His customers have grown older—and balder. Suddenly there is no longer a call for Guillaume's particular services, and he is forced to make a drastic career change. Since love and companionship are necessary commodities at any age, he becomes Amour-sur-Belle's official matchmaker and intends to unite hearts as ably as he once cut hair. But alas, Guillaume is not nearly as accomplished an agent of amour, as the disastrous results of his initial attempts amply prove, especially when it comes to arranging his own romantic future. For every reader who adored *Chocolat*, Julia Stuart's *The Matchmaker of P é rigord* is a delectable, utterly enchanting, and sinfully satisfying delight.

A perpetual breeze blows through Amour-sur-Belle, a village so ugly that even the English refuse to live there. Guillaume Ladoucette the barber is forced to give up his business as the advancing age of his customers means many have gone bald. He decides to set himself up as a matchmaker instead, for, despite its name, love is the one thing that Amour-sur-Belle lacks. Some shun Denise Vigier because her grandmother was found guilty of horizontal collaboration during the war. The bar owner refuses to serve Madame Fournier, the mushroom poisoner. And Madame Ladoucette and Madame Moreau have been trading insults for so long they have become almost a form of greeting. 'Not everyone falls instantly head over heels,' the matchmaker counsels. 'Love is like a good cassoulet, it needs time and determination.' But how can a matchmaker make love simmer - when he has not yet solved the problem of his own troubled heart?

A perpetual breeze blows through Amour-sur-Belle, a village so ugly that even the English refuse to live there. Many point to the gusts to explain the reputation of the place. For wind is widely believed to be a cause of madness. Guillaume Ladoucette the barber is forced to give up his business as the advancing age of his customers means many have gone bald. He decides to set himself up as a matchmaker instead, for, despite its name, love is the one thing that Amour-sur-Belle lacks. Some shun Denise Vigier because her grandmother was found guilty of horizontal collaboration during the war. The bar owner refuses to serve Madame Fournier, the mushroom poisoner. And Madame Ladoucette and Madame Moreau have been trading insults for so long they have become almost a form of greeting. 'Not everyone falls instantly head over heels,' the matchmaker counsels. 'Love is like a good cassoulet, it needs time and determination. Some bits are delicious, while others might be a bit rancid and make you wince. You may even come across the odd surprise like a little green button, but you have to consider the whole dish.' But how can a matchmaker make love simmer -awhen he has not yet solved the problem of his own troubled heart?

When Balthazar Jones is tasked with setting up an elaborate menagerie within the Tower of London's walls to house the many exotic animals gifted to the

Queen, life at the Tower gets all the more interesting. Penguins escape, giraffes are stolen, and the Komodo dragon sends innocent people running for their lives. Balthazar is in charge and things are not exactly running smoothly. Then his wife Hebe decides to leave him and his beloved tortoise "runs" away.--R é sum é de l' é diteur.

When Indian Princess Alexandrina is left penniless by the sudden death of her father, the Maharaja of Brindor, Queen Victoria grants her a grace-and-favor home in Hampton Court Palace. Though it is rumored to be haunted, Alexandrina and her lady's maid, Pooki, have no choice but to take the Queen up on her offer. Aside from the ghost sightings, Hampton Court doesn't seem so bad. The princess is soon befriended by three eccentric widows who invite her to a picnic with all the palace's inhabitants, for which Pooki bakes a pigeon pie. But when General-Major Bagshot dies after eating said pie, and the Coroner finds traces of arsenic in his body, Pooki becomes the #1 suspect in a murder investigation. Princess Alexandrina isn't about to let her faithful servant hang. She begins an investigation of her own, and discovers that Hampton Court isn't such a safe place to live after all. With her trademark wit and charm, Julia Stuart introduces us to an outstanding cast of lovable oddballs from the palace Maze Keeper to the unconventional Lady Beatrice (who likes to dress up as a toucan--don't ask) as she guides us through the many delightful twists and turns in this fun and quirky murder mystery. Everyone is hiding a secret of the heart, and even Alexandrina may not realize when she's caught in a maze of love.

A poignant, magical and completely original novel that you can't fail to love, for fans of Joanne Harris. Meet Balthazar Jones, Beefeater at the Tower of London. Married to Hebe, he lives and works in the Tower, as he struggles to cope with the tragic death of his son Milo, three years ago. The Tower of London is its own magical world; a maze of ancient buildings, it is home to a weird and wonderful cast of characters - the Jones's of course, as well as Reverend Septimus Drew, the Ravenmaster, and Ruby Dore, landlady of the Tower's very own tavern, the Rack & Ruin. And, after an announcement from Buckingham Palace that the Queen's exotic animals are to be moved from London Zoo to the Tower's grounds, things are about to become a whole lot more interesting... Komodo dragons, marmosets, and even zorillas ('a highly revered yet uniquely odorous skunk-like animal from Africa') fill the Tower's menagerie - and it is Balthazar Jones's job to take care of them. Things run far from smoothly, though - missing penguins and stolen giraffes are just two of his worries! A touching, magical and entirely original debut.

From the bestselling author of Balthazar Jones and the Tower of London Zoo comes the story of one man's quest to find a pearl, save his marriage – and track down a missing rabbit named Frank 'The Last Pearl Fisher of Scotland is a gently comic, gently tragic novel, full of lyricism, humanity and the pearl that is love. Read it at once' A. L. Kennedy Brodie McBride is having a tough time. The last expert in the ancient art of pearl fishing, he ' s on a quest to track down the pearl that will complete a necklace for his wife, Elspeth, convinced that the love token will save their marriage. But Scotland ' s rivers are running out of mussels, Elspeth is running out of patience, and their daughter, Maggie, is running wild with her moustachioed pet rabbit. And when Maggie takes matters into her own hands, determined to keep the family together, the McBrides are soon at the centre of international commotion that will change everyone ' s lives forever.

offender, dragging a young child through town. Both appear miserable and better off without each other -- or so decides Tracy, in a snap decision that surprises herself as much as Kelly. Suddenly burdened with a small child, Tracy soon learns her parental inexperience is actually the least of her problems, as much larger ones loom for her and her young charge. Meanwhile, Jackson Brodie, the beloved detective of novels such as Case Histories, is embarking on a different sort of rescue: that of an abused dog. Dog in tow, Jackson is about to learn, along with Tracy, that no good deed goes unpunished.
