A killer who, years ago, introduced Darby to violence and death. A killer who will use every means necessary to protect himself and to keep the missing women from ever being found. A breathless, gripping read from beginning to end. The Missing is an unforgettable story about a courageous woman whose past has literally come back to haunt her. Told with tremendous style at a breakneck pace, this is thriller writing at its best.

In this riveting thriller, a female police officer discovers that the serial killer she's tracking is a psychopath from her past--and she's next on his list. Absolutely gripping suspense.--Michael Connelly.

THEY'RE DYING TO MEET HIM . . . _____
The discovery of a body in Boston harbor has crime scene investigator Darby McCormick looking into an almost identical case: both were female students, abducted months earlier, each carrying a Virgin Mary figurine. It's a troubling mystery that suddenly turns desperate when a third girl goes missing. But when Darby makes a breakthrough, she crosses paths with Malcolm Fletcher. Malcolm used to be an FBI agent, but now he's gone off the rails, and is on the FBI's Most Wanted List. Darby knows she should turn him in - but Malcolm insists he's on the trail of the killer she's hunting. Should she trust him, or turn him in? And can either of them stop the killer before they strike again . . . _____

A KILLER WATCHES. A TOWN WAITS. Fear grips a town in Colorado as a murderer targets entire families in their own homes. As police and the FBI struggle to contain the situation, they bring in forensic investigator and serial killer expert Darby McCormick. What she finds is a brutal and elusive predator who stays one step ahead of their investigation. As Darby navigates the blood-ties and broken promises that divide the locals, she knows that all the while the killer is watching, waiting and circling his next target: her. She must not only meet evil - and somehow survive - but also be prepared to face this small town's dark heart... * * * Praise for Chris Mooney: 'Chris Mooney is a wonderful writer. A former FBI profiler whose life had been shattered by a psychopath's unspeakable crime, Jack Casey has started over as a detective in a posh coastal community outside Boston, but his new life is threatened by the arrival of the Sandman, a demented killer who stalks entire families and neighborhoods, who uses hidden cameras to track his crimes and his new adversary, Jack. A first novel. Reprint.

Everything changed when scientists discovered the drug. It looked like the cure for aging, but all progress comes with a price tag. Now, eternal youthfulness will be paid for by the blood of the innocent. The blood of "carriers" is the most valuable commodity on earth. When treated with a new wonder drug, it cures disease, increases power, and makes the recipient a virtual superman. It also makes the carriers targets. Young people with the right genes are ripped from their families and stashed in "blood farms." Ellie Batista became an LAPD officer specifically to fight this evil as a member of the Blood Squad, but her ambitions are thwarted--until the day she and her partner are ambushed during a routine stop. The resulting events plunge her into an undercover world more dangerous than she could have ever imagined. Because a madman has found a way to increase the potency of the blood to levels previously unimagined. As he cuts a bloody swath through the already deadly world of blood cartels, Ellie is the only hope to stop him before the body count explodes.

Mike Sullivan is determined to raise his six-year-old daughter Sarah to become a tough, independent woman. His own mother left when he was twelve, promising to return and rescue him from his father, an abusive and violently unpredictable thief who, Mike believes, is responsible for her disappearance. But Mike's wife, Jess, has an overprotective need to shelter Sarah. Rebellng against her paranoia, Mike waits until Jess leaves the house and then, against her wishes, takes Sarah sledding. Only Sarah doesn't want to go up the hill with her father. Sarah wants to go up with her best friend. In love with his daughter's stubbornness, Mike grants her wish, and when Sarah doesn't come down, he finds himself stuck in the middle of a snowstorm, his daughter gone. Five years later, Sarah is still missing. The only suspect, Francis Jonah, the former priest believed to be responsible for the disappearance of two other girls, is dying of cancer. On the anniversary of Sarah's disappearance, her jacket is discovered -- by Jonah. Battling a failed marriage and desperate for the truth, Mike is in a frenzied race to unlock Jonah's monstrous secrets before he dies. What is the connection between the disappearance of Sarah and Mike's mother? And why has Mike's father suddenly reappeared? In this gripping story of loss, compassion, and forgiveness, Mike must confront a family history steeped in lies, deceit, and, hardest of all, the persistent suspicion that his daughter might still be alive.

Ten years ago CSI Darby McCormick investigated a sinister child abduction case. Today, the missing child is back from the dead and holding his family hostage. He makes only one demand. Bring me Darby McCormick. Charlie Rizzo has his family at gunpoint and when Darby arrives to defuse the scene, she finds him horrifically mutilated. What happened to him and just where has Charlie Rizzo been held all these years? Darby faces the toughest case of her career and, as the body count rises, one that will bring her into great personal danger and leave her in fear of losing her mind, if not her soul. For the Soul Collectors are the monsters from your worst nightmares.

It's been eighteen years since Mary Kelly vanished from a snowy hillside in Boston. It was Darby McCormick's first case. It was her first failure. At long last the prime suspect - disgraced priest Richard Byrne - has agreed to break his silence. But he'll only talk to her. Darby returns home expecting to hear a confession. What Byrne tells her is far more disturbing. And she doesn't have long to act, because it soon becomes clear that someone will do anything to keep this cold case on ice. . . .

The Dead Room sees the return of Darby McCormick in another thrilling missing persons case by the critically acclaimed Chris Mooney
A mother and her son have been executed in their home and fingerprint matches show their attacker died twenty years ago. But how can dead serial killers return to haunt the present? The answers lie in the darkest shadows of The Dead Room. When CSI Darby McCormick is called to the crime scene, it's one of the most gruesome she's ever seen. But the forensic evidence is even more disturbing: someone watched the murder unfold from woodland behind the house - and the killer died in a shoot-out two decades earlier. The deeper Darby digs, the more horrors come to light. Her prime suspect is revealed as a serial killer on an enormous scale, with a past that's even more shocking than his crimes, thanks to a long-held secret that could rock Boston's law enforcement to its core. Is it possible to steal an identity? Or are dead men walking in Darby's footsteps? The line between the living and the dead has never been finer. Chris Mooney is one of America's biggest thriller writing talents - fans of Karin Slaughter, Michael Connelly and Dennis Lehane will love this chilling serial killer case that sees the return of CSI Darby McCormick. Praise for Chris Mooney: 'Masterful . . . dark and disturbing' - Linda Fairstein
'A scary breakneck ride with thrills that never let up' - Tess Gerritsen
'Chris Mooney is a wonderful writer' - Michael Connelly
Chris Mooney is the author of five previous thrillers, of which Remembering Sarah was nominated for the prestigious Edgar Award for Best Novel. The Missing and The Secret Friend, the first two outings for CSI Darby McCormick, are both available as Penguin paperbacks. Chris lives in Boston with his wife and son.
