The News A Users Manual

The News: A User's Manual The news is everywhere, we can't stop checking it constantly on our screens, but what is it doing to our minds? The news occupies the same dominant position in modern society as religion once did, asserts Alain de Botton – but we don't begin to understand its impact on us.

The News: A User's Manual - Alain de Botton

However as “A User's Manual” to the news, I found this book to be a disappointment. Despite the subtitle, what the book actually is, is an analysis of what the news is doing (broken into sections on politics, world news, economics, celebrities, disasters and consumption), how it is covering all these topics wrong, and how it could be doing it better.
