Writing in a smart, concise, and sometimes irreverent manner, Yehuda urges us to take responsibility because every action we perform in the present creates a quantum effect. This book drives home the uncomfortable truth that global challenges are opportunities for individual change. Change your mind, and change our world.

Based on a popular series of talks given by renowned Kabbalist Yehuda Berg, Kabbalah on Love offers a simple yet profound message: love is not something that is learned or acquired, but an essence within, waiting to be revealed. Buried by layers of ego, fear, shame, doubt, low self-esteem, and other limitations, love can only be activated by sharing and serving unconditionally. Only then will the layers fall away and the essence of love reveal itself. Berg makes the distinction between love and need — which is a selfish product of ego — and reminds readers that only after connecting with the love within, and learning to love themselves, can they truly love someone else. Familiar reality is the one percent material realm in which we live; there are other dimensions - the world beyond our five senses. According to Kabbalah, this is called the 99 percent realm. Everything we truly desire - love, joy, peace of mind, freedom - is of the ethereal nature found in the 99 percent realm. The problem is that most of us have inadvertently disconnected ourselves from this source. By learning how to maintain a connection to this higher source, we can vanish any form of chaos, personal struggle, and despair, and materialize a life of lasting fulfillment. This foundational text on Kabbalah features new content and is more accessible for meeting today's current challenges. The exercises included will help readers break free of prevalent beliefs and habits that lead to negativity. Readers will discover how to align their actions with their higher purpose and become conscious of the unlimited possibilities in their own life.
