Passage after passage in Scripture makes this truth clear. The proud find the door closed to his inner sanctum, but those who demonstrate humility are welcomed there again and again.

Feeling worn thin? Come find rest. The Blue Ridge Parkway meanders through miles of rolling Virginia mountains. It ’ s a route made famous by natural beauty and the simple rhythms of rural life. And it ’ s in this setting that Hannah Anderson began her exploration of what it means to pursue a life of peace and humility. Fighting back her own sense of restlessness and anxiety, she finds herself immersed in the world outside, discovering a classroom full of forsythia, milkweed, and a failed herb garden. Lessons about soil preparation, sour mulch, and grapevine blights reveal the truth about our dependence on God, finding rest, and fighting discontentment. Humble Roots is part theology of incarnation and part stroll through the fields and forest. Anchored in the teaching of Jesus, Anderson explores how cultivating humility—not scheduling, strict boundaries, or increased productivity—leads to peace. “ Come unto me, all who labor and are heavy laden, ” Jesus invites us, “ and you will find rest for your souls. ” So come. Learn humility from the lilies of the field and from the One who is humility Himself. Remember who you are and Who you are not, and rediscover the rest that comes from belonging to Him.

Of all sins, pride is the most dangerous . . . and the most sorrowful: it cuts the Christian off from God, estranges him from others, and leaves him lost and unhappy. This book shows readers how to drive pride from the soul and discover the incredible strength and joys of humility today.

Humility of Heart was written by Father Cajetan Mary da Bergamo a Capuchin priest in 1739. The work instantly caught fire among the religious but remained obscure until it was translated from Italian into English by Herbert Cardinal Vaughan of Westminster. Unbeknown to every subsequent re-publisher of Vaughan's translation was that Vaughan died before finishing the work, leaving the final section of the work untranslated until now.

Lasting happiness through patience & humility. Learn how to develop these virtues without which heroism, self-denial, and martyrdom are worthless. Learn why

Jesus said that to save your life, you must lose it, and see how happiness can be found in self-surrender.

Written in the same style as his Jealousy—the Sin No One Talks About, Kendall tackles the problem of pride, bringing out into the open the challenges a majority of people face in overcoming the pride and self-righteousness that were introduced to mankind by the serpent in the Garden of Eden.

Humility and Pride is a comprehensive book on Christian humility, from its true meaning and significance in a Christian life to an everyday guide to cultivating humility in our own hearts. Jesus often referred to humility as a necessary condition for acquiring the heavenly kingdom and eternal life. He also left us the most profound and perfect example of humility. The fundamental role of humility is also explained in the writings of the Early Church Fathers and further illustrated by their own lives. This book offers a diligent summary of these sermons, writings and personal examples. Humility can only be acquired through grace, but we first need to understand what humility means and why it is important, have a desire to acquire it and be willing to practice it in our everyday lives. A former abbot and a prominent bishop, the author offers a detailed, down to-earth guidance on how to prepare our hearts for Gods grace.
