Blood Ties book one: The Turning by Jennifer Armintrout is such a breath of fresh air. Not the typical vampire romance that I'm used to reading and one I'm glad I didn't pass by. Dr. Carrie Ames is a doctor that shouldn't be. Squeemish, insecure with low self esteem, she is the perfect candidate for this good vs. evil vampire must read.

With my sire hell-bent on turning me into a soulless killer and his sworn enemy set to exterminate me, things couldn't get much worse — except I'm attracted to them both.
