John Ralston Saul looks deeply into the unchallenged assumptions on which our present society is built, and points out that it doesn't have to be this way. He is suspicious of ideologies, especially the ones arising from the self-serving interpretations of Adam Smith's writings and those of other enlightenment thinkers.

John Ralston Saul was elected President of International PEN in October 2009. He is author of a number of national bestsellers, including Voltaire's Bastards, The Doubter's Companion and The Unconscious Civilization, which won the Governor General's Literary Award for Non-Fiction and the Gordon Montador Award for Best Canadian Book on Social Issues. He lives in Toronto.

~~The Unconscious Civilization: Saul, John Ralston ...~~

Our society, John Ralston Saul argues in his 1995 CBC Massey Lectures, is only superficially based on the individual and democracy. Increasingly it is conformist and corporatist, a society in which legitimacy lies with specialist or interest groups and decisions are made through constant negotiations between these groups.
