November 1907. "The Voice in the Night" is a short story by English writer William Hope Hodgson, first published in the November 1907 edition of Blue Book Magazine . The story has been adapted a number of times, most prominently in the 1963 Japanese film Matango . Weird fungi in the shape of animals or humans are a recurring theme in Hodgson's stories and novels; for example, in the novel The Boats of the "Glen Carrig" the survivors of a shipwreck come across tree-like plants that mimic (or, ...

The Voice Recap: Which Contestants Survived Night 2 of the ...

The Voice in the Night It was a dark, starless night. We were becalmed in the Northern Pacific. Our exact position I do not know; for the sun had been hidden during the course of a weary, breathless week, by a thin haze which had seemed to float above us, about the height of our mastheads, at whiles descending and shrouding the surrounding sea.

The Voice in the Night - *Wikisource, the free online library*

'The Voice in the Night' was written about 1907. I read it for the first time when I was a teenager. I reread it today. I still remains a very well written short horror story. A ship is becalmed in the Pacific Ocean. Two sailors are hailed by a strange voice from the night. The strange person asks for some food. The sailors float out some provisions.

#1 New York Times bestselling author Dean Koontz gives a new meaning to "blood brothers" in this chilling novel of friendship gone awry... No one could understand why Colin and Roy were best friends. Colin was so shy; Roy was so popular. Colin was nervous around girls; Roy was a ladies' man. Colin was fascinated by Roy—and Roy was fascinated by death. Then one day Roy asked his timid friend: "You ever killed anything?" And from that moment on, the two were bound together in a game too terrifying to imagine...and too irresistible to stop.

The Voice in the Night, a short story by William Hope Hodgson, has been adapted by the cinema a number of times, most prominently in the 1963 Japanese film "Matango". It also appeared in Alfred Hitchcock's paperback anthology "Alfred Hitchcock Presents: Stories They Wouldn't Let Me Do on TV". William Hope Hodgson (1877 – 1918) was an English author that produced essays and novels, that mixes horror, fantastic fiction and science fiction. Hodgson used his experiences at sea to his short stories, many of which are set on the ocean. Hodgson's single most famous story is probably 'The Voice in the Night', where a fisherman's aboard a ship in the North Pacific, on night watch in a fog-bank, hears a voice call out from the sea. The voice asks for food, but it insists it can come no closer, that it fears the light, and that God is merciful. In payment for the food it tells a frightening tale... The Voice in the Night integrates the collection "Classics of World Literature", developed by Atlântico Press, a publisher company present in the global editorial market, since 1992.

Astonishing True Story of the Miracles That Are Changing Africa Born into a long line of witch doctors, Surprise ("Sorpresa") Sithole was destined for a life of fear, oppression, and poverty in the jungles of Africa. But at the age of fifteen, he was awakened in the middle of the night by an unfamiliar voice. Urgent, but not harsh, it told him to get up and leave his family immediately. As Surprise stepped out into the night, away from everything dear to him, he had no idea who God was--or what he had in store for him. From miraculous signs and wonders to supernatural deliverance from certain death to divine revivals that overtook countries, Surprise has followed wherever God has led, becoming an agent of hope and change in a continent devastated by war, poverty, and spiritual oppression. Voice in the Night is the amazing true story of what began that night in a jungle hut more than twenty-five years ago: a journey--an adventure--of faith and miracles.

From the Pulitzer and Story Prize winner: sixteen new stories—provocative, funny, disturbing, enchanting—that delve into the secret lives and desires of ordinary people, alongside retellings of myths and legends that highlight the aspirations of the human spirit. Beloved for the lens of the strange he places on small town life, Steven Millhauser further reveals in Voices in the Night the darkest parts of our inner selves to brilliant and dazzling effect. Here are stories of wondrously imaginative hyperrealism, stories that pose unforgettably unsettling what-ifs, or that find barely perceivable evils within the safe boundaries of our towns, homes, and even within our bodies. Here, too, are stories culled from religion and fables: Samuel, who hears the voice of God calling him in the night; a young, pre-enlightenment Buddha, who searches for his purpose in life; Rapunzel and her Prince, who struggle to fit the real world to their dream. Heightened by magic, the divine, and the uncanny, shot through with sly and winning humor, Voices in the Night seamlessly combines the whimsy and surprise of the familiar with intoxicating fantasies that take us beyond our daily lives, all done with the hallmark sleight of hand and astonishing virtuosity of one of our greatest contemporary storytellers.

After her husband's mangled corpse disappears from the morgue, Rachel is stalked by a mysterious stranger who is seeking revenge on her.

In August of 1920, women's suffrage in America came down to the vote in Tennessee. If the Tennessee legislature approved the 19th amendment it would be ratified, giving all American women the right to vote. The historic moment came down to a single vote and the voter who tipped the scale toward equality did so because of a powerful letter his mother, Febb Burn, had written him urging him to "Vote for suffrage and don't forget to be a good boy." The Voice That Won the Vote is the story of Febb, her son Harry, and the letter than gave all American women a voice.

The author explains his poetic mission thus: 'it is the cultural tradition in my part of the world, that when abominations become unbearable, and the truth must be told with great courage, then the night masquerade appears...in order to set a senseless practice right; sometimes the night masquerade must confront the ruler and point out the nakedness of his utterances...this is the voice of the night masquerade, I am only the medium.' The ensuing collection of poems is divided into three sections: 'Night' - alluding to the night the mother of the spirits walked the length and breadth of the clan, weeping for her murdered son, in 'Things Fall Apart'; 'Night Vigil', and 'Night Passages'. This book was joint winner of the Association of Nigerian Authors' Poetry Prize in 1997.

From the author of Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.
