"Shiver-inducingly delicious."—The New York Times Book Review "[Suma's] narratives are subtle, quicksilver creatures, her language is elegant, and her characters keep more secrets than they reveal. If this book was a dessert, it wouldn't be a chocolate chip cookie or a vanilla birthday cake — it would be an earl grey lavender macaroon, or maybe balsamic fig ice cream." — NPR.com "This beautiful story is full of magical-realism and luscious, lyrical writing." — BuzzFeed "Terrific . . . A gothic love letter to secret places of New York City and the runaway girls who find them."—Kelly Link, author of Pulitzer Prize finalist *Get in Trouble* "Nova Ren Suma surpasses herself with this gorgeously-told, mesmerizing, tense and twisted story."— Laura Ruby, National Book Award Finalist and Printz-Winning author of *Bone Gap* "Nova Ren Suma is a force to be reckoned with. Pan, New York Times bestselling author of *The Astonishing Color of After* "A Room Away from the Wolves is a beautifully tangled chain, a modern gothic haunting by one of our masters."—Elana K. Arnold, author of National Book Award finalist *What Girls Are Made Of* Bina has never forgotten the time she and her mother ran away from home. Her mother promised they would hitchhike to the city to escape Bina's cruel father and start over. But before they could even leave town, Bina had a new stepfather and two new stepsisters, and a humming sense of betrayal pulling apart the bond with her mother—a bond Bina thought was unbreakable. Eight years later, after too many lies and with trouble on her heels, Bina finds herself on the side of the road again, the city of her dreams calling for her. She has an old suitcase, a fresh black eye, and a room waiting for her at Catherine House, a young women's residence in Greenwich Village with a tragic history, a vow of confidentiality, and dark, magical secrets. There, Bina is drawn to her enigmatic downstairs neighbor Monet, a girl who is equal parts intriguing and dangerous. As Bina's lease begins to run out, and nightmare and memory get tangled, she will be forced to face the terrible truth of why she's come to Catherine House and what it will cost for her to leave . . . In *A Room Away from the Wolves*, critically acclaimed and New York Times bestselling author Nova Ren Suma weaves a spellbinding ghost story about who deserves a second chance, how we lie to those around us and ourselves, and what lengths girls will go to in order to save each other.

The first in *The Wolf Chronicles* trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Silver Wolf In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world—and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the

Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist. *Night of the Wolf* The fearsome legions of Julius Caesar have crushed resistance to Roman rule. Watching the tragic aftermath through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . and a shapeshifter unaware of his preternatural duality. But a new Maeniel is about to be born from the ruins. The sight of the beautiful Imona fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns what it means to love. It is a knowledge that will change him forever. When Imona vanishes, Maeniel follows her trail--unaware that he is being pursued by a warrior-woman sworn to kill him. But the hunt upon which the two adversaries embark will lead them farther than they can imagine: to the gates of Rome itself--to the gates of their very souls . . .

Wicked wolves and a grim governess threaten Bonnie and her cousin Sylvia when Bonnie's parents leave Willoughby Chase for a sea voyage. Left in the care of the cruel Miss Slighcarp, the girls can hardly believe what is happening to their once happy home. The servants are dismissed, the furniture is sold, and Bonnie and Sylvia are sent to a prison-like orphan school. It seems as if the endless hours of drudgery will never cease. With the help of Simon the gooseboy and his flock, they escape. But how will they ever get Willoughby Chase free from the clutches of the evil Miss Slighcarp?

"A writer with . . . vision and scope . . . breathtaking, shimmering prose."--Anne Rice The armies of Charlemagne are poised to conquer Italy. The human side of shapeshifter Maeniel owes allegiance to Charlemagne. But the wolf acknowledges no master. Still, it is as both wolf and man that he embarks on a hazardous mission for the emperor. Captured, Maeniel is condemned to death. Now, with the help of a Saxon warrior whose love poses dangers of its own, Maeniel's soul mate, Regeane, will brave the icy crags and crevices of the Alps to rescue her husband, only to find that he is the bait in a trap set for her by a villainous man from her darkest past. But there is another enemy at work. Behind the tangle of ambitions and animosities driving kings and commoners alike, an ancient evil thirsts for a revenge of its own: a revenge that demands the blood of Maeniel and Regeane...and of all humanity. "Action and intrigue-filled . . . Borchardt's strength . . . is her deeply researched setting, which brings alive the barbaric era after the fall of the Roman Empire."--Publishers Weekly

NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions--until it all came crashing down. Praise for *The Wolf of Wall Street* "Raw and frequently hilarious."--The New York Times "A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives."--Forbes "A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch."--The Sunday Times (London) "Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read."--Kirkus Reviews

SHE IS A HEROINE OF HER PEOPLE. . . . With her extraordinary violet eyes, ebony hair, and ivory skin, the French countess Melisande was a prize for any man. But it was Conar MacAuliffe, a young warrior who rode into battle to defend her people, who made Melisande his bride--and then disappeared for years. Now MacAuliffe has returned to claim his wife, a ravishing woman determined to fight for her freedom at all costs. But the proud beauty who fears no man suddenly fears herself--and the passionate embrace of the husband who vows never to let her go. HE IS THE MIGHTY VIKING CONQUEROR THEY CALLED . . . Lord of the Wolves, a legendary warrior whose greatest challenge will come with the woman he is destined to wed. In the fiery Melisande he will find his heaven and hell. Even as he wages war for her heart, he dares not yield his own. Even as he lays sweet seductive siege to her body, he tries to shield his soul. It will take a common enemy and a little trust to awaken them both to a love that can change their lives forever.
