With simple but explicit illustrations, this book provides the perfect platform to talk about sexuality with boys and young men with autism or special needs.

Tom learns the do's and don't's of exploring his body.

Ellie likes lots of different things. She likes listening to music and making pizza. There are also things that Ellie enjoys doing in private, like touching her vagina. This accessible and positive resource helps parents and carers teach girls and young women with autism or related conditions about masturbation. It covers when and where it is appropriate and helps to establish boundaries surrounding privacy more generally. With simple but explicit illustrations, this book provides the perfect platform to talk about sexuality with girls and young women with autism or related conditions.

Tom notices that his body is changing. Tom's voice is different and hair is growing in new places. There are other changes happening too. Tom learns that he has started growing into a man. Following Tom as he begins to notice changes to his body, this simple resource helps parents and carers teach boys with autism or other special needs about puberty. It covers all the changes that they will experience, both emotional such as new feelings and physical such as wet dreams. This fully illustrated positive and entertaining book provides the perfect opportunity to talk about puberty with boys and young men with autism or special needs.

When Tom is out shopping, he needs to go to the toilet. Tom knows that public toilets are different to his toilet at home. There are urinals and cubicles and he has to decide which to use. This visual resource helps parents and carers teach boys and young men with autism or other special needs about how to use public toilets safely. It covers the subtleties of social etiquette including where to stand and look, as well as practicalities such as remembering to lock the cubicle door. With simple and effective illustrations throughout, the book is the perfect starting point for teaching independence when using public toilets.

Ellie notices that her body is changing. Hair is growing in new places and there are other changes happening too. Ellie's mum helps her understand that she has started growing into a woman. Following Ellie as she begins to notice changes to her body, this simple resource helps parents and carers teach girls with autism and related conditions about puberty. It covers all the changes that they will experience, both emotional such as new feelings and physical such as periods. This fully illustrated positive and entertaining book provides the perfect opportunity to talk about puberty with girls and young women with autism or related conditions.

Exciting News! Mr Fullerman announces that class 5F are going on an 'Activity Break'! Which should be fun. As long as I don't get stuck in a group with anyone who snores or worse still with Marcus Meldrew.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL's 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady/who continues to play at an elite level into his forties!a gorgeously illustrated and deeply practical [athle]s bible! that reveals Brady's revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady/along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013!explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady's own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one's own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

Why do we get so embarrassed when a colleague wears the same shirt? Why do we eat the same thing for breakfast every day, but seek out novelty at lunch and dinner? How has streaming changed the way Netflix makes recommendations? Why do people think the music of their youth is the best? How can you spot a fake review on Yelp? Our preferences and opinions are constantly being shaped by countless forces - especially in the digital age with its nonstop procession of [thumbs up] and [likes] and [stars.] Tom Vanderbilt, bestselling author of Traffic, explains why we like the things we like, why we hate the things we hate, and what all this tell us about ourselves. With a voracious curiosity, Vanderbilt stalks the elusive beast of taste, probing research in psychology, marketing, and neuroscience to answer myriad complex and fascinating questions. If you've ever wondered how Netflix recommends movies or why books often see a sudden decline in Amazon ratings after they win a major prize, Tom Vanderbilt has answers to these questions and many more that you've probably never thought to ask.
