This is Water is a speech given by Foster Wallace to the graduating class at Kenyon College in 2005. He starts with a little parable of the one that seems like one, and quickly goes on to break that mode of starting a commencement speech. David's speech is a trove of wisdom and compassion, thought provoking, and what it means to live in the ...

of This is water. of This is water. of It is unimaginably hard to do this, to stay conscious and alive in the adult world day in and day out. Which means yet another grand cliché turns out to be true: your education really IS the job of a lifetime. And it commences: now. I wish you way more than luck. * * * * This is Water makes a great gift. Still Curious?
