Three Bedrooms in Manhattan, by Georges Simenon A divorced actor and a lonely woman, both adrift in New York, meet by chance in an all-night diner. It is the start of something, though neither is sure what. Read an extract from Georges Simenon's Three Bedrooms in Manhattan.

Three Bedrooms in Manhattan by Georges Simenon

Three Bedrooms in Manhattan, first published in 1946, and is a short, introspective novel about two lonely people. Francios Combe is a 48-year old French actor. After seventeen years of marriage, he's newly divorced, -- his wife left him for an actor half his age.

Three Bedrooms in Manhattan (Penguin Modern Classics ...

three bedrooms in manhattan is the story of a chance encounter between a french actor in self-imposed exile in new york and a down at heel american divorcee who is looking for a little comfort. the two form an attachment which is by turns tender and antagonistic, he is possessive and mistrustful after his wife's affair but she is so emotionally starved that she will tolerate almost anything. the relationship is unromantic but all the more real for it's awkward contradictions.

Three Bedrooms in Manhattan (New York Review Books ...

Three Bedrooms is the story of two middle-aged drunks falling in love in the West Village in the 1940s. The psychology of the male protagonist is spot-on - which makes it really, really depressing. This book should be read with a fifth of scotch and only after you've been dumped, when you're still going through the shock of withdrawal.

Three Bedrooms in Manhattan | George Simeon. Georges Simenon was a prolific Belgian writer, born in Liege in 1903. He was best known for creating the character of Detective Jules Maigret and published more than 400 novels and short stories. Three Bedrooms in Manhattan is not one of seventy-five in the Maigret series, but rather a stand-alone study of a new relationship.

Three Bedrooms in Manhattan by Georges Simenon

An actor, recently divorced, at loose ends in New York; a woman, no less lonely, perhaps even more desperate than the man; they meet by chance in an all-night diner and are drawn to each other on the spot. Roaming the city streets, hitting its late-night dives, dropping another coin into yet another jukebox, these two lost souls struggle to understand what it is that has brought them, almost in spite of themselves, together. They are driven—from moment to moment, from bedroom to bedroom—to improvise the most unexpected of love stories, a tale of suspense where risk alone offers salvation. Georges Simenon was the most popular and prolific of the twentieth century ' s great novelists. Three Bedrooms in Manhattan—closely based on the story of his own meeting with his second wife—is his most passionate and revealing work.

The Widow is the story of two outcasts and their fatal encounter. One is the widow herself, Tati. Still young, she ' s never had an easy time of it, but she ' s not the kind to complain. Tati lives with her father-in-law on the family farm, putting up with his sexual attentions, working her fingers to the bone, improving the property and knowing all the time that her late husband ' s sister is scheming to kick her out and take the house back. The other is a killer. Just out of prison and in search of a new life, Jean meets up with Tati, who hires him as a handyman and then takes him to bed. Things are looking up, at least until Jean falls hard for the girl next door. The Widow was published in the same year as Camus ' The Stranger, and André é Gide judged it the superior book. It is Georges Simenon ' s most powerful and disturbing exploration of the bond between death and desire.

Nineteen-year-old Frank Friedmaier lives in a country under occupation. Most people struggle to get by; Frank takes it easy in his mother ' s warehouse, which caters to members of the occupying forces. But Frank is restless. He is a pimp, a thug, a petty thief, and, as Dirty Snow opens, he has just killed his first man. Through the unrelenting darkness and cold of an endless winter, Frank will pursue abjection until at last there is nowhere to go. Hans Koning has described Dirty Snow as " one of the very few novels to come out of German-occupied France that gets it exactly right. " In a study of the criminal mind that is comparable to Jim Thompson ' s The Killer Inside Me, Simenon maps a no man ' s land of the spirit in which human nature is driven to destruction—and redemption, perhaps, as well—by forces beyond its control.

Publisher description

" One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories. " —The Guardian In this Georges Simenon classic, a Dutch clerk flees to Paris with his crooked boss ' s money and meets the woman behind the man " A certain furtive, almost shameful emotion . . . disturbed him whenever he saw a train go by, a night train especially, its blinds drawn down on the mystery of its passengers. " Kees Popinga is a respectable Dutch citizen and family man—until the day he discovers his boss has bankrupted the shipping firm he works for, and something snaps. Kees used to watch the trains go by on their way to exciting destinations. Now, on some dark impulse, he boards one at random, and begins a new life of recklessness and violence. The Man Who Watched the Trains Go By is a chilling portrayal of a man who breaks from society and goes on the run asks who we are, and what we are capable of.

Three Bedrooms in Manhattan by Georges Simenon

Newly translated for this edition. A young Frenchman, Joseph Timar, travels to Gabon carrying a letter of introduction from an influential uncle. He wants work experience; he wants to see the world. But in the oppressive heat and glare of the equator, Timar doesn ' t know what to do with himself, and no one seems inclined to help except Ad è le, the hotel owner ' s wife, who takes him to bed one day and rebuffs him the next, leaving him sick with desire. But then, in the course of a single night, Ad è le ' s husband dies and a black servant is shot, and Timar is sure that Ad è le is involved. He ' ll cover for the crime if she ' ll do what he wants. The fix is in. But Timar can ' t even begin to imagine how deep. In Tropic Moon, Simenon, the master of the psychological novel, offers an incomparable picture of degeneracy and corruption in a colonial outpost.

For forty years Charles Alavoine has sleepwalked through his life. Growing up as a good boy in the grip of a domineering mother, he trains as a doctor, marries, opens a medical practice in a quiet country town, and settles into an existence of impeccable bourgeois conformity. And yet at unguarded moments this model family man is haunted by a sense of emptiness and futility. Then, one night, laden with Christmas presents, he meets Martine. It is time for the sleeper to awake.

A New York Times bestseller with an "engaging narrative and array of detail " (The Wall Street Journal), the " intimate and sweeping " (Raleigh News & Observer) untold, true story behind the Biltmore Estate—the largest, grandest private residence in North America, which has seen more than 120 years of history pass by its front door. The story of Biltmore spans World Wars, the Jazz Age, the Depression, and generations of the famous Vanderbilt family, and features a captivating cast of real-life characters including F. Scott Fitzgerald, Thomas Wolfe, Teddy Roosevelt, John Singer Sargent, James Whistler, Henry James, and Edith Wharton. Orphaned at a young age, Edith Stuyvesant Dresser claimed lineage from one of New York ' s best known families. She grew up in Newport and Paris, and her engagement and marriage to George Vanderbilt was one of the most watched events of Gilded Age society. But none of this prepared her to be mistress of Biltmore House. Before their marriage, the wealthy and bookish Vanderbilt had dedicated his life to creating a spectacular European-style estate on 125,000 acres of North Carolina wilderness. He summoned the famous landscape architect Frederick Law Olmsted to tame the grounds, collaborated with celebrated architect Richard Morris Hunt to build a 175,000-square-foot chateau, filled it with priceless art and antiques, and erected a charming village beyond the gates. Newlywed Edith was now mistress of an estate nearly three times the size of Washington, DC and benefactress of the village and surrounding rural area. When fortunes shifted and changing times threatened her family, her home, and her community, it was up to Edith to save Biltmore—and secure the future of the region and her husband ' s legacy. This is the fascinating, " soaring and gorgeous " (Karen Abbott) story of how the largest house in America flourished, faltered, and ultimately endured to this day.

" One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories. " —The Guardian Exiled from Paris, Maigret discovers some disturbing secrets in a sleepy coastal town " A short, sprightly man appeared in the doorway, looked left and right, and went back into the passage. A moment later, the improbable happened. The little man reappeared, bent over, clinging to a long mass that he now started dragging through the mud. It must have been heavy. After four meters, he stopped to catch his breath. The front door of the house had been left open. The sea was still twenty or thirty meters away. " Maigret has been exiled from Paris to a remote province, having offended his superiors. Out of his element, he finds himself utterly bored—until a murder case arrives.
