The twenty-third episode in the series, Tintin and the Picaros (1976) is a Latin-American tale of a coup d'état, complete with hostage-taking and guerrilla warfare. Tintin returns to the country of San Theodoros, which he first visited in The Broken Ear (1937). Hergé's story reveals the hypocrisy behind the apparently endless cycle of revolution and counter-revolution in South America.

Tintin and the Picaros is, chronologically, the final episode of the comic book series, as the last one Hergé completed (the author died before finishing Tintin and Alph-Art).

The world's most famous travelling reporter gets caught up in a revolutionary adventure. Bianca Castafiore has been imprisoned by General Tapioca! Also accused of threatening Tapioca's dictatorship, Tintin, Calculus and Haddock jet off to the jungle HQ of the revolutionaries, and hatch a plot surrounding the upcoming carnival and Haddock's sudden and mysterious disgust for whiskey . . . Join the most iconic character in comics as he embarks on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

Presents the author's final, unfinished story, in a book that includes a series of unpublished documents recently discovered to shed light on the incomplete conclusion of the story.

Tintin et les Picaros marque le retour de Tintin au San Theodoros, le pays de l'Oreille Cassée. Haddock, renonçant au whisky (grâce à une invention de Tournesol !) ; Nestor espionnant aux portes ; Milou supplanté par le chat de Moulinsart ; Séraphin Lampion jouant un rôle positif ; Alcazar ridiculisé par son épouse, une virago de la pire espèce : l'évolution du monde de Tintin est plus révolutionnaire que l'abandon des pantalons de golf pour les jeans !

The world's most famous travelling reporter searches for the truth behind the theft of some priceless works of art. But what does the King Shark have to do with it all? Tintin and his friends are holidaying in Syldavia with Professor Calculus, who has invented an amazing new duplicating machine. But a series of strange occurrences makes Tintin suspicious. Who is the mysterious "King Shark", and what does he

want with Calculus' machine? Is there a connection with the recent theft of famous works of art from the world's leading museums? Tintin is determined to find out! Join the most iconic character in comics as he embarks on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. Join the world's most famous travelling reporter in his exciting adventures as he gets mixed up with an aeroplane hijacking in Flight 714 to Sydney and a South American revolution in Tintin and the Picaros. This volume also includes the unfinished Tintin and Alph-Art, a fascinating insight into Hergé's creative process. Flight 714 to Sydney Tintin, Captain Haddock and Professor Calculus are on their way to Sydney, Australia. Through a chance meeting they are invited to travel on board the private jet of billionaire Lazlo Carreidas. But then they fall victim to a plot to kidnap Carreidas and are captured by Tintin's arch enemy Rastapopoulos. Tintin and the Picaros Bianca Castafiore has been imprisoned by General Tapioca! carnival and Haddock's sudden and mysterious disgust for whisky. Tintin and Alph-
Art In an interview shortly before his death, Herge wrote of the last Tintin
adventure: "The plot revolves around a tale of forgers . . . The book is set in the
world of contemporary art. The narration itself is in the course of evolution. I am
still doing my research and I honestly don't know where this story will lead me."
Sadly, the tale was never completed, but this unique book gives an insight into the
work Herge had done on the project before he died. At the end, Tintin is about to
be cast into a living sculpture by a mysterious enemy - one last cliffhanger for the
world's best-loved boy journalist. Join the most iconic character in comics as he
embarks on an extraordinary adventures spanning historical and political events,

In The Castafiore Emerald (1963), all the characters from the series gather in
Marlinspike Hall for a real comedy classic behind closed doors. Resolutely turning
his back on the adventure genre, Herg? concentrates on describing the difficulties

of communication between human beings. This is the "anti-adventure", full of misunderstandings, a comedy of errors.
