**Von Hildebrand's Transformation in Christ – Desert Nuns**

Nazism or not, for Dietrich von Hildebrand, transformation in Christ remained the one, glorious theme of human existence, and of his own existence. Obviously, he could not have completed this monumental work in just two brief summers without the benefit of the earlier graces he had so abundantly received, of the Christian experiences he had accumulated, of his spiritual readings, and of his own prayer life.

But, God does not wish to annihilate our personality and freedom - the paradox is that we only become our true selves so that our unique personality shines when we become transformed in Christ. And this is where Von H brilliantly shows us true personality versus the kind of conventional personality into which we have grown, petrified by prejudices and conventions.
