Twilight of the Elites: America after Meritocracy by Chris *---*

TWILIGHT OF THE ELITES is a reaction to the collapse in American institutions, and in American faith in their own institutions. Hayes cites a number of examples in his book: the bipartisan failure that was the war in Iraq, the subprime loan crisis that crashed the world economy, the decades-long global coverup of sexual abuse in the Catholic Church, the steroids scandal in Major League Baseball, and the Enron scandal.

Twilight of the Elites: America After Meritocracy by *---*

Twilight of the Elites: America After Meritocracy is a non-fiction book written by Christopher Hayes, discussing examples of how meritocracy is exploited in modern America. He argues that there are many competing forces working within America that are causing the financial crisis, elite crisis, media crisis, and, what he sees as the most ominous problem facing the globe, the environmental global warming crisis.
