The original version of *US Diplomacy Since 1900* was published in 1984, and it is a testimony to the quality of the book that it has now reached its fifth edition. Modern American diplomacy, Schulzinger argues, dates from the defeat of Spain in 1898, which in addition to leading to the acquisition of territories such as Cuba, enabled the United States to compete equally with the European powers in the race for international pre-eminence.
