get through even the toughest circumstances. Matthew Stein's *When Disaster Strikes* provides a thorough, practical guide for how to prepare for and react in many of life's most unpredictable scenarios. In this disaster-preparedness manual, he outlines the materials you'll need—from food and water, to shelter and energy, to first-aid and survival skills—to help you safely live through the worst. *When Disaster Strikes* covers how to find and store food, water, and clothing, as well as the basics of installing back-up power and lights. You'll learn how to gather and sterilize water, build a fire, treat injuries in an emergency, and use alternative medical sources when conventional ones are unavailable. Stein instructs you on the smartest responses to natural disasters—such as
