managers find effective solutions to today's challenges." --Ron Peltier, President and CEO, HomeServices of America, Inc., Minneapolis, Minnesota "This compilation of the latest Realtor? Magazine articles on real estate brokerage management could be of help to brokers and managers looking for practical ideas to boost their operations. The book quotes extensively from veteran brokers and managers who are trying new ways to build sales and tackle problems. Within the book's range of articles could be helpful ideas for you." --J. Lennox Scott, Chairman and CEO, John L. Scott Real Estate, Seattle, Washington "The editors did their homework. The pace of change in our business is a constant challenge. Even if you don't want to lead the charge in industry change, brokers would do well to study the innovative concepts (such as the employee-agent model) illustrated here. This section on operations is particularly useful for brokers of a multi-office/multi-region operation." --Steve Brown, ABR?, CRB, Vice President and General Manager, Crye-Leike, Realtors?, Memphis, Tennessee "The editors of Realtor? Magazine do a fantastic job of keeping Realtors? on top of all real estate concerns. No issue is more timely or essential to building good business than brokerage practices." --Blanche Evans, Publisher, Agent News, and Editor, Realty Times, Dallas, Texas

We've all heard the stats and stories about how tough it is to make a profitable living in real estate without high (and often devastating) lifestyle costs, but what do you know about the super successful agents, those netting \$500,000, \$1 million, \$3 million, or more a year selling real estate? What do you really know about how they think, what they do, and how they approach the business, most often rejecting the industry norms that enslave the average agent? The fact of the matter is, if your real estate business depends on you, you don't really

have a business you have a job. In stark contrast, these mega agents have true businesses built on turnkey systems and well-organized teams. There is no stopping this trend. More and more teams will come, garner more market share, and get paid premium fees at the same time working less and playing more than the typical agent. Inside these pages, we introduce you to sixteen of these super successful, highly profitable real estate team leaders who share the secrets of their rise to the top 1 percent of the entire industry, how they did it, and how you can copy your way to your own mega successful real estate business.

For real estate investors needing to know basic real estate math and calculations. This book will give you a competitive edge by building your real estate math skills.
