How Many Countries Have You Visited? Human beings love to travel. All of us have a country, a city, a town, a destination, or a vacation spot that we love. And, as we travel, we learn more about the cities and countries of the world. But how much do you really know and remember? This book pits you against the best geography and travel trivia brains in the business to help you gauge where you stand on your Travel Quotient Knowledge Score. If you are a seasoned citizen of the world, you can expect a score of above 70%. If you are able to score 100% on all the questions, is your diet a combination of atlases and globes? Geography is fun. All of us know something about a few cities - this book will test that knowledge. The format is fairly simple: you will be given a series of cities in each set of questions. All you have to do is guess which country each city is in - you will, of course, be given options. We'll start you off easy, and slowly ramp up the difficulty. As you travel virtually through the most desirable destinations in the world, we hope that you can discover more about places you never knew existed, and that wanderlust awakens in your heart. The most common bucket list item for every human being is related to travel - whether it is to a special city, a special town, a special landmark, a mountain or anything else! After a long, difficult year, during which many of us were constrained to stay within a small geographical area, the future holds exciting promises of world travel, and this book is a geographical celebration of everything you can look forward to, from the point of view of tourism and travel, in the year 2021. In this book, you will test your knowledge of the biggest travel destinations and hotspots in the world, and see how much you really know about them. The top travel countries in the world in 2019 were the following: 1. France 2. Spain 3. The United States of America 4. Italy 5. China 6. Turkey 7. Mexico 8. Thailand All of us have a country, a city, a town, a destination, or a vacation spot that we love. And, as we travel, we learn more about the cities and countries of the world. But how much do you really know and remember? This book pits you against the best geography and travel trivia brains in the business to help you gauge where you stand on your Travel Quotient Knowledge Score.
