4.5 stars Vandal is book 2 in the Ashes & Embers series and honestly I had no idea what to expect from this book. Vandal hasn't had a great life so he numbs the pain with drugs and alcohol until he finally finds a reason to get clean.

So, book #2 in the Ashes & Embers series, following the various members of the Valentine family. This time it was Vandals turn, and it certainly didnt disappoint. Its a lot darker than Storms book, just a warning, but i fell in love with it rather quickly. Vandal and Tabitha are perfect. Another 5 Star read.
