Davie Jones—an ugly duckling growing up in small-town Mississippi with a mother who couldn't get any nearer—is positive her life couldn't be any worse. Just when she's resigned herself to her fate, she sees a movie that will change her life—Sixteen Candles. But in her case, life doesn't imitate art. Tormented in school and hopelessly in unrequited love with a handsome football player, Davie finds it bittersweet to dream of Molly Ringwald endings. When a cruel school prank goes too far, Davie leaves the life she knows and reinvents herself in the glittery world of Hollywood—as a beautiful and successful lounge singer. Just as she's about to ride off into the L.A. sunset, the past comes back with a vengeance, threatening to crush Davie's dreams—and break her heart again. With wholly original characters and a cinematic storyline, 32 Candles introduces Emma T. Carter, a new voice in fiction with smarts, attitude, and sassiness to spare.

The first English translation of the book that reveals the Cathar stronghold at Montségur to be the repository of the Holy Grail • Presents the history of the Papal persecution of the Cathars that lies hidden in the medieval epic Parzival and in the poetry of the troubadours • Provides new insights into the life and death of this gifted and controversial author Crusade Against the Grail is the daring book that popularized the legend of the Cathars and the Holy Grail. The first edition appeared in Germany in 1933 and drew upon Rahn's account of his explorations of the Pyrenean caves where the heretical Cathar sect sought refuge during the 13th century. Over the years the book has been translated into many languages and exerted a large influence on such authors as Trevor Ravenscroft and Jean-Michel Angebert, but it has never appeared in English until now. Much as German archaeologist Heinrich Schliemann used Homer's Iliad to locate ancient Troy, Rahn believed that Wolfram von Eschenbach's medieval epic Parzival held the keys to the mysteries of the Cathars and the secret location of the Holy Grail. Rahn saw Parzival not as a work of fiction, but as a historical account of the Cathars and the Knights Templar and their guardianship of the Grail, a "stone from the stars." The Crusade that the Vatican led against the Cathars became a war pitting Roma (Rome) against Amor (love), in which the Church triumphed with flame and sword over the pure faith of the Cathars.

"Find the sick, the suffering and the lonely right there where you are. . . . You can find Calcutta all over the world, if you have the eyes to see." --Mother Teresa Lifelong educator Mary Poplin, after experiencing a newfound awakening to faith, sent a letter to Calcutta asking if she could visit Mother Teresa and volunteer with the Missionaries of Charity. She received a response saying, "You are welcome to share in our works of love for the poorest of the poor." So in the spring of 1996, Poplin spent two months in Calcutta as a volunteer. There she observed Mother Teresa's life of work and service to the poor, participating in the community's commitments to simplicity and mercy. Mother Teresa's unabashedly religious work stands in countercultural contrast to the limitations of our secular age. Poplin's journey gives us an inside glimpse into one of the most influential lives of the twentieth century and the lessons Mother Teresa continues to offer. Upon Poplin's return, she soon discovered that God was calling her to serve the university world with the same kind of holistic service with which Mother Teresa served Calcutta. Not everyone can go to Calcutta. But all of us can find our own meaningful work and service. Come and answer the call to find your Calcutta!
