Washington Critical Care Manual

Undoubtedly, The Washington Manual of Critical Care serves its purpose well "to assist all health care providers involved in the care of the critically ill in some meaningful way." The manual is meaningful for (1) the practicing physician wishing to update his or her knowledge base, (2) residents just being introduced to critical care, (3) critical care nurses wishing to know more about diseases they see in the intensive care unit (ICU), and (4) junior doctors/medical students searching ...
