What problems and wasted hours we could avoid if we would only examine ourselves to see why we do the things we do—and if we ought to be doing them. It's so effortless to follow the crowd, to cave in to peer pressure, to do what comes naturally—what we feel satisfies us, whether or not it really is beneficial.

Why Do We Do the Things We Do? | theTrumpet.com
Why Do We Do the Things We Do? Most people whose faith is more than in name only, have certain religious rituals as part of their spiritual practices. A common one is church attendance. Another may be giving money or tithing to the church. Participation in a Bible study, small group, or midweek meeting is a third practice many people pursue.

It explains all different personality types and WHY we are the way we are based on how we were raised and treated as young kids. It also gives great parental advice for babies and young kids. It explains so much of what many of us don't consider which makes you aware of yourself which helps to better yourself.

Why You Do the Things You Do: The Secret to Healthy ...
We do many things which on the surface do not appear to be associated with this overriding pattern. I'm going to speak of two or three of these. Among these is the operation of Brigham Young University. People ask why we sponsor such a large and costly institution that is basically concerned with secular education. The question is appropriate.

Why We Do Some of the Things We Do
As we begin 2010 with our lists of resolutions, I'm reminded of Twain's quote: "To promise not to do a thing is the surest way in the world to make a body want to go and do that very thing." Twain wasn't the first to point this out. St. Paul wrote about the same paradox: "I don't understand myself.

Why do we humans do the things we do? The answer is simply that there is a huge lack of true education. Sure, there is plenty of materialistic, scholarly, human-based education out there.

Why Do We Do the Things We Do? | theTrumpet.com
For the most part, we know what we should be doing in life. We know we should be eating more vegetables, exercising more, and chipping away at projects slowly versus procrastinating. Doesn't it seem odd that we know what we need to do to prevent ourselves from getting sick and becoming overly stressed, but we don't always do them? It's like the answers are literally in front of us (or...
