through activity-based worksheets. Each workbook is divided into twenty units with each unit following the same basic format including: - ten keywords linked through theme and spelling - word meanings and their use in context - spelling exercises - keywords in context - relevant spelling rules along with exercises After each five units, there is a revision or consolidation unit. Answers to all the exercises are printed in the back of the book. Students are encouraged to refer to a dictionary if necessary to complete the activities and to check their work. Junior Wordwise Workbooks 1 and 2 are suitable for a wide range of students but are probably most appropriate for students in years 7 to 10; or students in later years who need extra practice in spelling and vocabulary development.

Supercharge your speech to get what you want out of every conversation with this fun and practical guide to verbal vividness. An eye-opening guide on how we talk and write to one another, *Word Wise* explores 400+ of the most common cases of word trash (filler words, hyperbole, and abstractions) and word power (verbs of action, ear candy, onomatopoeia). Examining social media, the language of Donald Trump, AI language research, and heard-on-the-street lingo, communication expert Will Jelbert offers simple and concrete recommendations for improving your own vernacular. With wit, practical applications, and a small dose of grammar, *Word Wise* will help you communicate more effectively at home, at work, and online.

Wordwise aims to enhance students' use of a wide range of vocabulary and to increase their understanding of the derivation and origin of words. The words in the book have been chosen to consolidate student knowledge of commonly used, mature vocabulary and to introduce more specialised vocabulary to extend students' repertoire of language. The book is divided into forty units with each unit focusing on one aspect of vocabulary development. The focus may be technical e.g. prefixes, homophones, possessives etc; or
