Michael Thomas Ford - Goodreads

Josh is by far the best zombie Torcher around. At least, he is in his virtual-reality zombie-hunting game. Zombies haven't existed in the real world in more than fifteen years, and the battle to defeat the devastating zombie epidemic is now the stuff of history lessons. Or so it seems. When Josh accepts a coveted invitation to join an underground gaming league in the dark, forgotten tunnels of the city, he soon realizes that hunting zombies is not all fun and games. Real blood is spilling, members of the team are disappearing and the zombies in the game are acting strange. And then there's the matter of a mysterious drug called Z. . . . This darkly thrilling teen novel will have you holding your breath as you turn every page.

The First Rule of Torching: Cleanse with fire. Josh is by far the best zombie Torcher around—at least, he is in his virtual-reality zombie-hunting game. Josh has quickly risen through the player ranks, relying on the skill, cunning, and agility of a real Torcher. The Second Rule of Torching: Save all humans. But luckily for Josh, zombies exist only in the virtual world. The real zombie war is now more than fifteen years in the past, and the battle to defeat the deadly epidemic that devastated his family—and millions of others—is the stuff of history lessons. The Third Rule of Torching: You can't bring them back. Charlie is the top-ranked player in the game. Since all the players are shrouded in anonymity, Josh never expects Charlie to be a girl—and he never expects the offer she makes him: to join the underground gaming league that takes the virtual-reality game off the screen and into the streets. Josh is thrilled. But the more involved he gets, the more he realizes that not everything is what it seems. Real blood is spilling, members of the team are disappearing, and the zombies in the game are acting strange. And then there's the matter of a mysterious drug called Z. . . .

Elvis Cole's taciturn partner, Joe Pike, investigates an attack on former associate Frank Meyer, a one-time mercenary whose family has been murdered by a professional hit crew and who police suspect has been keeping a dangerous secret.

Mike Monaghan is the bartender at the Engine Room, a meeting place for the small but thriving community of gay men in Cold Falls, New York. As Mike pours beer, wipes glasses and hears everything, he's also witness to the men who come here looking for what they need--sex, direction, friendship, spiritual fulfillment, and love. People like: Stephen Darby--As an accountant, he knows many secrets. But Stephen has his own secret, one he's never been able to share with anyone close to him. Being the perfect son costs him dearly, and now it may take from him the one man he longs for. Pete Thayer--Playing it straight, Pete takes out his frustrations on transmissions and engines during the day, then spends his nights trying to quench his needs through anonymous sex. But once the thrill of the forbidden begins to fade, what will he be left with? John and Russell--The golden couple in town has the ideal relationship everyone wants. But behind the scenes, their storybook marriage is on the verge of facing some explosive trials that will shake both men completely. Father Thomas Dunn--More and more the gentle priest is feeling a need to express the secret desires that conflict with his devotion to the church, sending his faith into a tailspin and making him question what he really wants from life. Simon Bird--He's a fixture in town, an old queen everyone finds amusing and entertaining. Still mourning the loss of his longtime lover, Simon yearns to find love and a place in a culture that worships youth and beauty. As Mike hands these men their drinks, he marvels at their determination, strength and foolishness. But most of all, he begins to question his own dissatisfaction, pondering what's missing from his own life, and what risks he may have to take to find fulfillment. Looking For It is an extraordinarily human tale of community, friendship, and the search for happiness. With unflinching honesty, keen insight, and his trademark humor, Michael Thomas Ford weaves together the unforgettable stories of these seven men, chronicling their dreams, hurts, heartbreaks, joys, and hopes, while taking readers on an emotional journey to find what it is we're all looking for.

Traveling to Europe with her friends to marry Walter, author-turned-vampire Jane Austen is astonished when a husband from her past objects during the ceremony and reveals his own vampire nature, a situation that prompts an uproarious trip down memory lane. By the author of Jane Bites Back. Original. 12,000 first printing.

Every family has a hidden story—even the perfect ones. In this suspenseful and deeply moving novel, Michael Thomas Ford propels us beyond smiling holiday photographs and beloved anecdotes to explore the complex ties within one family—and between two very different brothers whom catastrophe will either unite or divide forever. . . . On the morning James McCloud, a Seattle district attorney, gets a call from his sister, he senses his own long-buried family history is about to be dragged into the light. James's father, Daniel, a police officer, disappeared eight years ago. Now his body has been found. James always believed his father committed suicide. But the evidence leaves no doubt: Daniel was murdered. James immediately returns to Cold Falls, New York, to be with the rest of his family. Among them is his brother, Billy, twenty-one, gay, and even more troubled than James remembers. James was always the golden child, Billy the disappointment. Time has not healed their differences, but events may drastically change their roles. For when James's high school ring is discovered with Daniel's body, he becomes the prime suspect. And as the truth emerges, piece by piece, Billy finds himself amid a swirl of secrets and lies powerful enough to decide his brother's fate, threaten yet another life, and destroy the bonds that still remain. . . . "A fast-moving yet thoughtful exploration of family love and the things we do in our names." --Booklist

Alive and well as a vampire in the modern world, literary master Jane Austen anonymously runs a bookshop in sleepy upstate New York but despairs of publishing a centuries-old manuscript that has been rejected dozens of times, a situation that is further compromised when she falls in love. Original.

A handbook containing information of interest to gay men who want to know what paganism and Wicca are, how these traditions speak specifically to them and how to go about beginning to explore pagan spirituality as a rewarding spiritual path. The Path of the Green Man is composed of two parts, arranged in alternating chapters. The first part is a basic primer on paganism and Wicca, on spiritual practice and beginning to play with the tools of spirituality. The second part puts all of this information to use in a practical guide to living the pagan year.

After two hundred years dead, Jane Austen still has bite. But will her most recent literary success be her last? Life was a lot easier for Jane when she was just an unknown, dead bookstore owner in a sleepy hamlet in upstate New York. But now the world embraces her as Jane Fairfax, author of the bestselling novel Constance—and she's having a killer time trying to keep her true identity as the Jane Austen a secret. Even the ongoing lessons in How to Be a Vampire, taught by her former lover Lord Byron, don't seem to be helping much. Jane can barely focus on her boyfriend, Walter, while keeping him in the dark about her more sanguine tastes. To make matters worse, Walter announces that his mother is coming for a visit—and she's expecting Jane to be Jewish. Add in a demanding new editor, a convention of romance readers in period costume, a Hollywood camera crew following Jane's every move, and the constant threat of a certain bloodsucking Brontë sister coming back to finish her off, and it's enough to make even the most well-mannered heroine go batty!

Hot And Bothered From Michael Thomas Ford, the critically acclaimed author of Last Summer and Alec Baldwin Doesn't Love Me, comes this sizzling collection of fantasies culled from more than a decade of his best erotic work. These stories of heat, lust, desire, need, and transformation—an Olympian bacchanal, a chance meeting in the men's room, an S&M-fueled "coaching" session, a police officer who'll do what it takes to get a confession—are as incredibly hot as they are exquisitely crafted. There's "Becoming Al," an "X-rated Flannery O'Connor story" that takes place on the stage at a male peep show. The mosh pit of an underground club brings two punks to the edge and over in the adrenaline-charged "Diving the Pit." A gorgeous window washer gives a worker drone some high-rise sex in "Washing Up." And the power of a young man's first sexual awakening—and the reunion it inspires twenty years later—lies at the heart of the achingly sensual "The Boys of Summer." Along the way, Ford turns up the heat by confessing the naughty personal thoughts that inspired his steamiest erotica. A visit to his incredibly sexy dentist led to Ford's delicious story of one explosive oral exam in "The Check Up." The summer sounds drifting up from the New York City streets on a hot summer night influenced Ford's sinfully sexy voyeuristic fantasy, "Wednesday, 2 A.M." A hunky conductor on a commuter train gave Ford lustful thoughts and a whole new meaning for the term "Riding the Rails." And the discovery of anonymous nude Polaroids gave birth to the no-holds-barred "Dirty Pictures." Hard-core, tender, imaginative, candid, and just plain hot, these stories prove that when it comes to erotica that's down-and-dirty AND intelligent, nobody does it better than Michael Thomas Ford.
